(Amended and Restated, February 15, 2007)

This Agreement, dated as of the date following the last signature below, is made and entered by and between the Open Design Alliance, a Washington nonprofit corporation (the "Alliance"), and the person named at the end of this document (the "Member").

RECITALS

A. The Alliance has been organized and established to promote open, industry-standard formats for the exchange of CAD data.

B. Member desires to become a member of the Alliance, upon the terms and subject to the conditions set forth in this Agreement.

AGREEMENT

Accordingly, the Alliance and Member agree as follows:

Section 1. Member's Rights

1.1 Membership Classification

Subject to the terms and conditions of this Agreement, Member will have, and will be entitled to exercise, all rights of a commercial member of the Alliance, as such rights are specified from time to time in the bylaws of the Alliance. Member will furnish to the Alliance such documents and other assurances as the Alliance may reasonably request from time to time to ensure that Member has and continues to meet the qualifications for membership in the commercial class as specified in the articles of incorporation and bylaws of the Alliance.

1.2 Use of Tools and Logo

1.21 License

Promptly after Member and the Alliance have both signed this Agreement, the Alliance will furnish to Member the Alliance Tools, consisting of (a) the file format specifications (the "Specifications") used by the Alliance libraries and (b) the Alliance libraries in object code (binary) form only (the "Libraries" and, together with the Specifications, the "Tools"), and the trademarked Alliance logo (the "Logo"). Subject to the terms and conditions of this Agreement, the Alliance grants to Member a nonexclusive, royalty-free license to do the following:

(i) use the Specifications for the purposes of developing, modifying or supporting Member's software applications (the "Member Applications");

(ii) use the Libraries for the purposes of developing, modifying or supporting the Member Applications;

(iii) reproduce, distribute (directly or indirectly) and sublicense the Libraries, in binary form only, as a part of the Member Applications;

(iv) disclose the Specifications and the Libraries to Member's contractors for the limited purpose of developing Member Applications under contract with Member; provided, that such disclosure is made pursuant to a written nondisclosure agreement that protects the Specifications and Libraries from further disclosure or use; and

(v) use and reproduce the Logo in connection with Member's marketing, distribution and licensing of products containing or derived from the Libraries, subject to those guidelines and restrictions on use which the Alliance may adopt from time to time.

1.22 Limitations

Member acknowledges that Member will not distribute in excess of 100 units of Member Applications in any calendar year developed with, containing or otherwise derived from the Specifications or Libraries. Member acknowledges that the Member Applications must have significant value added over the contents of the Tools, and that the Tools are not intended to be distributed on a stand-alone basis or as a part of a software development kit or comparable product that is substantially similar to the Tools. The Tools are owned by the Alliance and its suppliers. The Alliance reserves all rights in the Tools other than those expressly granted in Section 1.2.1. Without limiting the generality of the foregoing, except as specifically permitted under Section 1.2.1(iv), Member will not distribute or sublicense any copy of the Specifications. In addition, Member will not export or reexport the Tools in violation of any law, regulation, order or other governmental requirement (including, without limitation, the U.S. Export Administration Act, regulations of the Department of Commerce and other export controls of the U.S.).

1.23 Updates

From time to time, the Alliance may furnish updates or enhancements to the Tools. All such updates or enhancements will be treated as part of the Specifications and the Libraries (as the case may be) and will be subject to the terms of this Agreement upon delivery to Member.

1.3 Notices

Member will include in any Member Applications all notices as contained or specified in the Tools.

1.4 Warranty Disclaimer; Limitation of Liability

The Tools are provided to Member "AS IS" AND WITH ALL DEFECTS AND ERRORS. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, THE ALLIANCE HEREBY DISCLAIMS ANY AND ALL IMPLIED WARRANTIES INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, IMPLIED WARRANTY ARISING FROM ANY COURSE OF PERFORMANCE OR DEALING OR USAGE OF TRADE, IMPLIED WARRANTY OF NONINFRINGEMENT OR IMPLIED WARRANTY OF QUIET ENJOYMENT.
